Syringes	20, 10, 5, 3ml	5000
Goggles		1000
Buckets (5 Gallon)		5,000
Portable Potties (Toilets)		150
Blankets		10,000
Field Tents	20 ft x 20 ft	30
Field Tents	10 ft x 10 ft	20
Field Kitchens		2
Sleeping Mats		1,000
Respirator masks with filters		10,000
Reflective Vests		2,000
Caution Tape	100 ft roll	100
Hygiene Kits		10,000
Wheelchairs		600
Walkers		1,000

Medical Equipment

Item #	Item Name	Item Description	Quantity
1	Pull kits for supplies for response teams		40
2	Nebulizers		1000
3	Portable oxygen cylinders	with regulators	500
4	Portable Ventilators		10
5	Air Purifiers with filters and HEPA filters		30
6	Fire extinguishers		300
7	Wheelchairs		200
8	Vaccine Flasks		100
9	ECG Machines with Accessories and paper	Paper, cables, leads, tabs	100
10	Handheld Pulse oximeters	with sensor	200
11	BP Cuffs	Manual	100
12	BP Cuffs	Digital, Auto	100
13	Stethoscopes		200
14	CT Scan		1
15	Vital Sign Monitors	with accessories	30
16	Cardiac Monitors		30
17	Oxygen Concentrators		30
18	Finger SPO2		500
19	Defibrillators		50
20	Suction Machines	Portable, with replacement filters	100

21	Electrosurgical Units	Diathermy	10
22	Diagnostic Kits	Otoscope, ophthalmoscope	50
23	Multimeters		50
24	Laryngoscope Kits		50
25	Intubation Kits		10
26	Soldering stations	with solder and flux	2
27	Tool kits	screw drivers, pliers, socket sets, wrenches	2
28	Drills	with drill bits	3
29	Grinders		2
30	Helti heavy duty drills		2
31	Welding machines		2
32	Electrical safety analysers		2
33	Electric pipe threader		2
34	Plumbing snake		5
35	Manifold gauges for ac	Using 410A and R134A	5
36	Two stage vacuum pumps for AC		3
37	Portable vacuum cleaner		2
38	Mechanical bearing puller		2
39	Oxygen hose repair kits	With crimping tool	3
40	Pipe detectors		2
41	Cable detectors		2
42	Amprobes		4
43	Capacitance testers		2
44	Halogen leak detectors		3

Health (structural)

Item Name	Item Description
Bulk Medical Supplies (Facility)	
Heavy duty metal shelves	
Retrofitting the Evesham health centre for providing dialysis and oncology/chemotherapy treatment	
Forklift	
Pickup Truck	
Heavy duty pump trolley	

OTHER SUPPLIES NEEDED

Food items (for impacted population)	to be further defined	20,000
WATER	30-day supply	110,000
	<i>Notes to the drinking water calculations: 15 litres per day; 30 days; population of 110,000; convert to gallons at 3.875l per gallon</i>	
Drinking and domestic hygiene water	gallons	12,774,194
Drinking water	24 x 500 ml	40,000
Drinking water	12 x 1 litre (7 days supply)	28,000
Drinking water	4 x 4 Litre	45,000
Water bladders collapsible	200 Gallon -to be provided in minimum quantities of 5 gallon bottles	20,000
Water bladders collapsible	54 x 75 double	50
Water bladders collapsible	Single	50
Disposable Food Containers Paper or biodegradable		20,000
